About Northern Empire

On February 15, 2017, Northern Empire announced that it entered into a letter of intent with Sterling Gold Mining Corporation, a wholly owned subsidiary of Imperial Metals Corporation ("Imperial Metals") to acquire a 100% interest in the Sterling property, located in Nye County, Nevada, and certain royalty rights for claims located in Nevada and California. The Sterling project is a fully permitted gold project with exceptional exploration potential and represents a unique opportunity for Northern Empire to rapidly transition from a grass roots explorer to developer. Combined, the land package represents the acquisition of a gold district within Nevada, hosting 3 past producing open pit mines. ON BEHALF OF THE BOARD OF NORTHERN EMPIRE RESOURCES CORP.
